

# ADR Services Committee: Metadata Day 2013

Tuesday, September 10, 2013

10:00 AM - 3:00 PM

Colorado Alliance of Research Libraries

## Tasks & Decisions

1. Decide whether to update current **MODS metadata guidelines**.
2. Decide whether to **standardize existing content** of metadata fields.
3. Define the scope of an **aggregated search site** for repository resources.
4. Based on scope, propose **tools or methods** for creating the aggregated search site.
5. Identify ways to incorporate **structured or linked data** into ADR object markup/metadata.

## Metadata Day: Agenda & Schedule

10:00

-

10:45
